

ZENGEZA BUSTERS GIRLS SOCCER ACADEMY

CHITUNGWIZA

INTRODUCTION

- Busters Girls Soccer Academy started in 2018 and has girls from 10-16 years. The academy trains at Anglican Church Zengeza. Our objective is to empower girls through sport, art and education.

WHY GIRLS?

- To promote healthy and fitness lifestyle
- To empower the girl child through sport
- The girl child is often left out of activities
- To help reduce daily challenges facing girls in communities e.g. abuse,
- To identify and nurture the next soccer star.

THE COMMUNITY

- Chitungwiza is the largest high density town in Zimbabwe.
- It also has a population of about 378 000, which makes it the third largest city in Zimbabwe.
- The town currently has no professional girls soccer team in the top flight league nor in the second division.
- With so many cases of sexual abuse, child marriages, GBV. Busters soccer academy intends break those barriers.
